4M x 6M Folding Marquee

Please Note:
All artwork is printed in CMYK colourspace
Please Convert all PMS or RGB artwork to an equivalent CMYK breakup

Please be aware that slight colour variation may occur in the printing process from a monitor output.
Place artwork in the designated layer of this document

This template is designed at a 10% scale of the final product.
Rasterised artwork supplied at 300dpi to suit this template size is the minimum requirement for a high quality final print
